## WebAssign Notices

Note: The following message is shown to your students. As WebAssign faculty you are not required to enter an access code.

 According to our records you have not yet redeemed an access code for this class or purchased access online.

The grace period will end Monday, June 22, 2009 at 12:00 AM PDT. After that date you will no longer be able to see your WebAssign assignments or grades, until you enter an access code or purchase access online.

I would like to:

- purchase access online
- enter an access code (purchased with textbook or from a bookstore)
- continue my trial period (11 days remaining)

## Access Codes

---

- You can use WebAssign for free until your grace period is over. Purchase an access code online or purchase one from your bookstore and enter it before the grace period ends.
- When entering your access code from the bookstore, you will be asked to choose a Prefix from the drop-down menu. A Prefix is the block of letters at the beginning of the code such as AT, BJ, WebAssign-S, etc.

# Access Codes in the Textbook

- If you have an access code that came with your book, it will look like this:

**Access Code**

ACCESS CODE  
EWA-STB 1111: 6683 SHQF 1111

After you log in, WebAssign will ask you to enter your Access Code for your class. The above access code is unique and can only be used once.

You have a 14-day grace period to use WebAssign, starting with your WebAssign class start date. During this time you can work on and submit your assignments without registering a code. After the grace period is over, you will be required to enter your access code to continue.

**Tips**

- Bookmark WebAssign's web address for easy access to your account ([www.webassign.net/login.html](http://www.webassign.net/login.html))
- WebAssign passwords are case sensitive.
- Once you are logged in, you should see your Home page showing your name, instructor, course and school in the upper right-hand corner. If you have more than one class in WebAssign, select your course from the drop-down list first.

**Technical Support**

If you have trouble, please return to the login page where a collection of resources is available to help direct you to the support you need.

Please call for phone support: (800) 955-8275

- Monday through Thursday: 8:00am to 8:00pm ET
- Friday: 8:00am to 6:00pm ET
- Sunday: 2:00pm to 10:00pm ET

\*The list of Cengage Learning textbooks that this access card is valid for can be found at <http://webassign.net/cards.html>.

**ENHANCED WebAssign**

CENGAGE Learning

Access to the Online Homework Management System Selected by Your Instructor

**ENHANCED WebAssign**

The most widely-used online homework management system is **your** ticket to a better grade.

Your instant access includes some or all of the following enhanced features depending on the book selected by your instructor:

- **Lifetime of Edition\*** access to thousands of homework problems
- **Read It** — Relevant selections from the text
- **Watch It** — Videos of worked examples and exercises from the text
- **Practice It** — Problem-specific tutorials
- **Chat About It** — Live, online help from experienced instructors

**ACCESS CARD PREFIX: EWA-STB**

\*Lifetime of Edition means you are allowed unlimited access to WebAssign courses that use this edition of the Cengage Learning textbook at no additional cost. This allows you to reuse the course card you pass on to take a multi-term course or the additional cost.

# System Requirements

- While WebAssign is designed to be as cross-browser compatible as possible, the following browsers and operating systems are officially supported:

- \* Firefox 3.0 or higher, on Windows, Mac, and Linux

- \* Internet Explorer 7.0, on Windows

- \* Safari 3.0 or higher, on Windows and Mac

WebAssign requires that Javascript be enabled in the browser, and that cookies be enabled. The WebAssign cookie is used only to keep the user logged in securely, and is deleted when the browser is closed.

No browser plug-ins are required to use the WebAssign system itself, however some content requires the standard Flash, Shockwave, or Java plug-ins to be installed and enabled.

**Questions using mathPad, for example, require Flash Player 10.0 or higher.**
